PAPER PUBLICATION

Papers submitted to ICCOE 2024 will go through peer review performed by technical program committee members and international reviewers. Selected papers will be published in Lecture Notes in Civil Engineering (ISSN: 2366-2557) as a proceedings book volume by Springer. The book series is now indexed by EI Compendex, Scopus, INSPEC, ScImago etc.

SPECIAL ISSUE

Journal of Marine Science and Engineering is an international, peer-reviewed, open access journal of marine science and engineering, published monthly online by MDPI. The Australia New Zealand Marine Biotechnology Society (ANZMBS) is affiliated with JMSE and their members receive a discount on the article processing charges.

A shortlist of extended papers will be recommended to the Journal Maritime Technology and Research (MTR) for publication free of charge. MTR is a peer-reviewed journal covering all areas of the coast and ocean.

Submit full paper or abstract online.

SPECIAL ISSUE

The proposals for special session within the technical scope of the conference are greatly encouraged. All the papers in the special sessions will be evaluated and peer-reviewed as per the same criteria as the regular papers. Accepted and registered session papers will be included in conference proceedings and submit to EI Compendex, Scopus for indexing. You can also submit abstract if you prefer presentation only without publication.

The Special session organizers will receive ONE free registration for every 6 papers accepted and registered in the conference under their special session.
